

NORTHWEST MISSOURIAN

NORTHWEST MISSOURI STATE COLLEGE

VOL. 52—No. 2 Maryville, Missouri September 24, 1965

NWMSU Faculty Includes Many Additional Instructors

In last week's *Missourian*, a partial listing of new faculty members at MSC was presented. Following are the other newcomers to the instructional staff:

Richard W. Holman, master's degree, State College of Iowa, and Paul A. Temple, MS, Iowa State University, are new physics instructors.

In the Division of Social Science, James Lyle DeMarce and Virginia Easley DeMarce have been Fulbright Scholars in Germany. Both have MS degrees and hope to receive their doctor's degrees from Stanford University soon.

C. Donald Hagan, AM, University of Missouri, Clarence Henderson, MA, University of Arkansas; Dr. Paul C. Henlein, associate professor, University of Wisconsin; Harmon R. Mothershead, MA plus other graduate work, University of Colorado, and Mr. and Mrs. Robert P. Nagle are other new instructors in social science. Both Mr. and Mrs. Nagle received their MA's from New Mexico Highlands University and are studying for their doctorates at the University of Miami.

Library Institutes Checking System

Beginning this fall, the library staff has introduced a new checking service to benefit students and faculty.

This new feature is a check-out desk which everyone must pass as he goes out the front doors. It will be necessary for each person leaving the building to have his books checked. Containers such as briefcases and large purses must also be included. The checker is interested in nothing but books.

The service is designed to have the books available for the people who need them. It will also prevent thoughtless or dishonest people from making difficulty for others," Librarian James Johnson commented.

The process of borrowing books is a simple one. In order to check out anything, a student is required to have his plastic identification card. This card imprints his number in the charging machine making it much less complicated for students and librarians.

Until the present, the library has had a very informal system. The new procedure should help those in charge of the library run it more efficiently. Every student's cooperation in these checkers will be greatly appreciated.

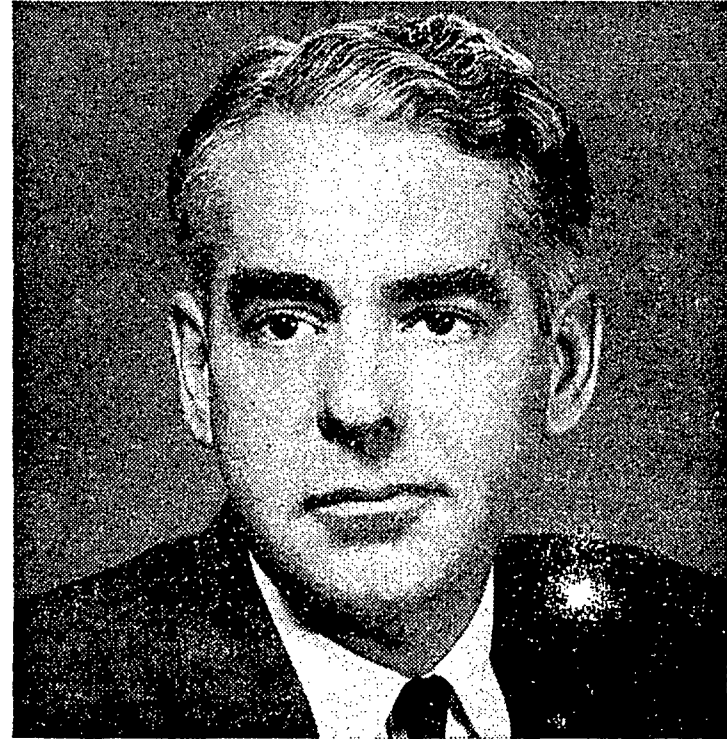

Miss Sandra Kay Hybels, assistant professor, MA, University of Pennsylvania, and Miss Mary Jo Sedletzke, MS, Indiana State University, are teaching in the Department of Speech. Miss Hybels has done work toward a doctorate at the University of Michigan.

Dr. Julius E. Schulz, Ed D, University of Colorado, and holder of a translator's certificate from the University of Heidelberg, is an associate professor in education.

Department of English instructors newly employed are Miss Adela Buczynski, MA, University of Michigan; Mrs. Avis Burnett, master's degree, Fort Hays, Kas., State College; Mrs. T. H. Eckert, MS in Education, MSC, and graduate work at MU; James R. Fultz, MA, Kansas State College; Mrs. Betty Hughes, MA, MU; Stuart Lewis, MA, University of Indiana, and James W. Neatherlin, a candidate for

Public May Attend Vietnam Seminar

JOHN EVARTS HORNER, Director, Office of Public Services, Bureau of Public Affairs, Department of State will discuss the United States Department policy regarding Viet Nam at the seminar on Viet Nam.

* * *

The MSC Union Board and division of Social Science will sponsor jointly a special public seminar on Viet Nam to be held at 7:30 p. m. Tuesday in Lamkin Gymnasium. The program will feature three outstanding experts on

Southeast Asia, particularly the Viet Nam war. James E. Horner, director of the office of Public Services, U. S. Department of State, Washington, D. C., Dr. David Warfel, associate professor and special-

(Continued on Page 8)

CONFERRING AFTER HOURS on Homecoming plans are Dr. John Harr, faculty chairman; Edward Browning, faculty assistant; Virginia Bright and Mike Thompson, student co-chairmen, and Dr. LeRoy Crist, faculty assistant.

Homecoming Committee Sets Rules for 'Wonderful Year'

"That Wonderful Year" will be the theme of the 1965 Northwest Missouri State College Homecoming, scheduled for Oct. 21-23.

Dr. John Harr, general fac-

ulty chairman, is assisted by Edward Browning and Dr. LeRoy Crist. Student chairmen of the Homecoming committee are Virginia Bright and Mike Thompson.

All entries are to be submitted to Mr. Browning, Office 207A, Colden Hall. The chairman of the various committees are Jim Holtz, queen; Jerry Newman and Doug Nordstrom, parade; Linda Chappell and Nancy Wayman, variety show; Mike Stephens and Gerri Tipton, campus decorations; JoAnn Fabro, Jarce decorations; Rosalie Geyer and Gary Shields, judges; Phil Burmeister, business manager; Carol Workman, signs and posters; and Peggy Wright, program co-ordinator.

The Variety Show will be given at two evening productions Oct. 21, 22. Kerry Lafferty will serve as the faculty co-ordinator for the program. Ideas and complete scripts for the show must be submitted to the co-chairmen by Sept. 27. Props and lighting plans should be ready before the first general rehearsal the first part of October.

This year there are two divisions of competition in the show — one for the women and one for men. Mixed groups will be assigned to one of the groups according to the majority of the membership.

Beauty float ideas and entries accompanied with a sketch must be submitted to Mr. Browning by Sept. 27; and other parade entries, by Oct. 8. The float expense limit is \$125. An itemized list of expenditures, signed by the sponsor of the organization, must be submitted to the parade chairman by Oct. 22. Entries from each organization will be grouped together in the parade.

First, second, and third place plaques will be presented to the various groups on a point basis. These points do not count for the supremacy trophy, but parade winners will receive points for the first five places in each division in overall parade competition.

The parade divisions are beauty float, jaloopies, best group of clowns acting as a unit, and individual clowns. All participants must be legally entered and placed in the parade line-up by the parade committee. The penalty for illegal entry is disqualification.

Entries in the house decorations must be given to Mr. Browning by 4 p. m. Sept. 27. The theme, identifying slogan, address of house, and name of owner should be included. The deadline for filing itemized expense lists with Mr. Browning is 4 p. m. Oct. 30. The expense limit on house decorations is \$50.

Houses will be judged first on Oct. 22 between 6:30 and 10 p. m. for lighting, general night effects and theme. They will be judged again on the morning of Oct. 23 for general effect, craftsmanship, and durability. Points will be awarded for the supremacy trophy.

All-around participation, spirit, and co-operation will have an important bearing on the awarding of the supremacy trophy. This phase will be based on a point formula which includes performance of organizational representatives, attendance, responsibility, quality, and quantity of work involved in committee assignments, response of the organization to request for manpower when needed.

'V-I-C-T-O-R-Y!' signal the varsity cheerleaders who recently captured high honors at the SMU Cheerleading Clinic, Dallas. Shown are Elaine Sherman, Mary Frances Schulenberg, Pat Noah, Marcie Severson, Celia Thompson, Barbara Harr, and Beverly Sheetz.

Highway Patrol Needs Qualified Recruits

The Missouri Highway Patrol is having trouble recruiting qualified young men.

The Patrol will start a recruiting, testing, and training program for 145 troopers in October. This was authorized by the last session of Missouri Legislature.

Highway Patrol law states that new recruits are to be selected on a bipartisan basis

and applicants can not be discriminated against because of race, creed, or color. The Patrol must select half of its recruits from each of the major political parties. The Missouri law enforcement agency is having trouble finding enough applicants from the Republican party.

Basic requirements for the Highway Patrol require that the candidate be at least five feet, ten inches tall with no tattoos, be between the ages of 21 and 33; be a high school graduate; and have no crime convictions on his record.

Women May Apply for Rooms in College Dormitories

All women students who are not presently living in women's residence halls may apply for possible placement for spring semester. All women interested should contact the Dean of Women's office, beginning at 9 a. m. Monday.

NWMSC Faculty

(Continued from page 1) the PhD degree at the State University of Iowa.

Jack Gray, jr., BS, MSC, assistant to the Director of Field Services, will use previous newspaper and radio experience to handle publicity.

In the Department of Foreign Language, John M. Dougherty, MA, University of Oregon, is teaching Spanish; Charles Slattery, master's degree, University of Iowa, German, and John H. Walker, MA, University of Nebraska, French.

Miss Eleanor Miller, MEd, University of Missouri, is residing in the home management house, and Miss Rebecca L. Terrell, MS, Kansas State University, is teaching in the Department of Home Economics.

At the Horace Mann School, Mrs. David Bejcek, BS in Education, Central Oklahoma State, supervises first grade,

Fulbright Award Offered For Mutual Understanding

The Institute of International Education reports that the competition for U. S. Government grants for graduate study or research abroad in 1966-67, or for study and professional training in the creative and performing arts under the Fulbright-Hays Act, will close shortly.

Application forms and information for students currently enrolled in Northwest Missouri State College may be obtained from the campus Fulbright program adviser, James A. Hurst.

He conducts competitions for the U. S. Government scholarships offered under the Fulbright-Hays Act as part of the educational and cultural exchange program of the Department of State. This program, which is intended to increase mutual understanding between the people of the United States and other countries, provides more than 900 grants for study in 54 countries.

Applicants must be U. S. citizens, who will hold a bachelor's degree or its equivalent by the beginning date of the grant, and who have language

proficiency sufficient to carry out the proposed projects.

Three types of grant are available:

(1) Full awards which provide tuition, maintenance, round-trip transportation, health and accident insurance and an incidental allowance.

(2) Joint U. S.-Other Government grants which combine tuition and maintenance from a foreign government, plus travel costs from the U. S. government.

(3) Travel-Only grants which supplement maintenance and tuition scholarships granted to American students by universities, private donors and foreign governments.

Progressive Jazz Group Commences Fall Rehearsals

The Progressive Jazz group, under the direction of Earle Moss, has started rehearsals in preparation for its fall activities.

The group will participate in the dedication program for the new Fine Arts Building. Also, plans are being made for the Jazz Group to perform during Kansas City Jazz Week. Two local concerts have been scheduled. The musicians will tour area high schools Dec. 1 and 2.

Members of the Progressive Jazz group are Larry Rollins, Ricky Steckleberg, Jim Corbett, Jim Jeter, Steve Konecne, reeds; Rick Peterson, Bob Foster, Irwin Meadows, Harlan Moore, Doug Jackson, trumpets; Jerry Cooper, Dave Taylor, Bob Bruner, trombones; Jim Vawter, drums; Steve Dempsey, mallets; Ed Trecek, piano; and Larry Benton, bass.

Mr. Moss still has openings for a trombone player and a tuba player. Anyone who is interested in these positions should attend the rehearsal Wednesday evening, or contact the director.

The Undergrads are the vocalists who perform with the Jazz Group. This ensemble has not been re-organized this fall, but there are openings for a soprano; a tenor, and a baritone.

and Donald R. Hefner, AB and AM, Colorado State College, seventh and eighth grades.

In the library Mrs. Thomas Peake, bachelor of music, Phillips University, is serving as textbook librarian. Mrs. J. C. Ware, III, BS in Ed., MSC, is also working in the library.

Department of Mathematics staff newcomers are Churl Kim, master's degree, Southern Illinois University, graduate work and teaching, University of Missouri, who is an MSC assistant professor; and Frank Mannasmith, MA, University of Kansas City.

Mrs. James Nelson, MA plus other graduate work, University of Missouri, will teach in the Department of Music.

In the men's physical education department, Gary Collins, master of education, MU; Robert William Inglehard, MS in Ed, Central Missouri State College, and Dr. John W. Wahrer, PhD, University of Iowa, constitute the new faculty. In the women's division Miss Ann M. Allen, master of education, and Mrs. Gary Collins, master of education, both MU, are new instructors.

Cast Commences Rehearsals for Initial Drama Production

Castong and rehearsals for "Man for All Seasons," the initial MSC drama production of the year, got under way this week.

A cast of 11 men and three women will be working for the next six weeks to perfect the play, which will be presented Nov. 3 under the direction of Dr. Ralph Fulson, chairman of the speech and drama department.

Other productions scheduled for this school year are "The Rivals," Sheridan, a comedy of manners to be presented Jan. 12, 13, 14 by the interpretation class of the speech and drama department in 18th century presentational theatre style; "Everybody Loves Opal," a comedy by John Patrick, Mar. 16, 17, 18; "Dirty Work at the Crossroads," a musical melodrama, May 4, 5.

The melodrama will be a co-presentation of the Alpha Psi Omega National Honorary Dramatics Fraternity and the Pi Kappa Delta National Honorary Forensics Fraternity. Drama and speech students will unite to give a program of one-act plays May 18, 19.

Faculty and student activity tickets may be used for "A Man for All Seasons" and "Everybody Loves Opal." A charge of 50 cents will be made to students and faculty.

Columna Begins Work on Island Peace Corps

Miss Patricia A. Hillers, '65, Blockton, Ia., has left for the Philippines, where she will be a member of a volunteer group who will work to expand Peace Corps teaching efforts in that area.

She will work as a co-teacher with native teachers to help refine methods in teaching mathematics and science courses. As part of Miss Hillers' preparation she received orientation and instruction in presenting the new mathematics as well as in inductive teaching of science and English during a 10-week course at Sacramento, Calif., State College.

Classes to Get Vacation During Teachers Meet

All classes will be dismissed on Thursday and Friday, Oct. 7, 8, during the District Teachers meeting. Dr. Charles H. Thate, dean of administration, has announced.

Over 3,200 area teachers are expected to be on campus during the two days of the annual event.

Social Security Law Provides

Many young people who receive social security benefits as the children of retired, disabled, or deceased workers can continue to get the payments after the age of 18 if they are attending school full-time.

Under this new provision, contained in the 1965 amendments to the social security law, students can continue to receive monthly benefits until they reach the age of 22 or complete their education, whichever comes first. Students whose benefits were stopped when they reached 18 and who are continuing their education as full-time students will have to file a new application in order to have their payments started again.

In addition to benefits during the school year, payment can continue during a vacation of up to four months.

For further information about this provision, students may contact Bill Needels, in Room 226 of the Administration Building.

Young adults who take a full-time vocational course, as well as those in high school or college, are covered by this new provision.

AWS to Present Show of Fall Fashions

The Association of Women Students will present a seasonal style show Wednesday at 7:30 p. m. in the auditorium of the administration building.

Models will be wearing the latest in men's and women's fashions, loaned by the clothing stores of Maryville. Door prizes donated by the Maryville Merchants will be given to both men and women.

Aids for Research Moved To Alcove on First Floor

Bound magazines, the Kardex file, and periodical indexes have been moved to a new first floor periodicals room in Wells Library.

Last year, as many students know, bound volumes were up the stairs one flight above the circulation desk. The Kardex file and periodical indexes were in the reference room opposite the circulation desk.

Just recently, however, these have been moved to the first floor. To find these volumes and the indexes, students should turn to the right upon entrance through the front door.

For students who might not remember or have known, latest issues of each magazine are in the browsing room at the north end of the first-floor corridor.

Other unbound magazines dating for perhaps two years back are in the reserve room. Microfilm and the Readers are also available in this room.

Materials in the periodicals room should not be taken from the room. One exception to this, however, is made for

students who want to have some pages duplicated. With permission of a periodicals attendant, that material may be taken to the Xerox machine in the browsing room. Ten cents per page is charged for Xerox service.

Mrs. Virgil Albertini, periodicals librarian, has reported that librarians plan to have all magazines but the most recent in the periodicals room.

This new change should be practical and beneficial for anyone using the periodical section of the library.

College President Challenges AAUP To Weigh Studies

President William Schechter of Tarkio College challenged the American Association of University Professors at their opening meeting Monday evening to re-evaluate their curriculum.

His address, entitled "The College Teacher's Role in Higher Education," dealt with the search for truth, the leadership role of college staff members, the essential need for effective research, and the various challenges of a changing society which affect the quality of education.

A potluck supper was served in the Horace Mann cafeteria to approximately 80 members and honored guests, including President Robert P. Foster and Mrs. Foster, President Schechter and Mrs. Schechter and the new faculty members of MSC.

Freshman Faces Challenging Work As State Future Farmer President

Among the 1,400 freshmen at MSC is David Hockensmith, jr., a business major who is holding a statewide executive post, one that will give him many challenging experiences.

Hockensmith has a broad background in FFA work for his duties as president of the Missouri Future Farmers of America. As a high school

David Hockensmith

sophomore, he participated in an FFA tour of nine countries in Europe, three of which were Communist.

David was elected Missouri president of the FFA in April at the state convention in Columbia. During the past summer, he has served as an instructor at the state camp in the Ozarks and conducted 12 meetings throughout the state to help train local chapter officers in their responsibilities. Even with this busy schedule, he found time to attend the American Institute of Cooperation as a delegate of the Boy

Scouts.

Winning the district FFA public speaking contest, the state leader will represent Missouri in the regional contest Oct. 13, when he and state secretary of the FFA Jim Welsh, attend the national convention in Kansas City, Oct. 13-15. The winner of the regional event will compete in the national contest on Oct. 14 at the convention.

During the first part of the coming year, David will go on a good will tour of the state, visiting industrial and agricultural farms. Next spring, he will be busy speaking at local banquets and service clubs, and he will be responsible for planning and presiding at the state convention in April at Columbia.

NEA Offers Teachers Special Services

Recent releases from the National Educators Association publications division tell of new opportunities for persons interested in special services of the organization.

During the Christmas holidays, five tours of such interesting areas as Florida, Mexico, San Juan, Bermuda, and Hawaii are being offered. More information on these trips can be obtained from the Division of Education Travel at the NEA Center, Washington, D. C.

Applications for the 1966 Hilda Maehling Fellowships must be in by Nov. 15. Information and applications concerning this honor may be obtained by any qualified classroom teacher from the NEA Department of Classroom Teachers at the NEA Center.

Club to Serve Meal As Hospital Benefit

Breakfast will be served to the public from 6 a. m. to 2 p. m. Sunday in the dining room of the basement of St. Gregory's Church, Maryville, by the Maryville Soroptimist Club, with all proceeds to go to the St. Francis Hospital building fund.

A ham, egg and home made biscuit meal will be served. Both adults' and children's plates will be available. For those wanting a lighter meal, coffee and rolls will be served.

Miss Mabel Cook, chairman of the MSC home economics department, will assist in supervising the dining room.

Delta Zeta Names Mrs. Bruce Wake To Province Post

Mrs. Bruce R. Wake has been appointed province vice-president of Delta Zeta sorority for Missouri.

She was appointed to the office by Mrs. Robert McKee-man, national vice-president in charge of alumnae. She will be in charge of Delta Zeta alumnae of Missouri and will make official visits to each of the eight chapters in the state.

Mrs. Bruce R. Wake

Mrs. Wake, who is president of the local alumnae chapter of the sorority, will help establish new alumnae chapters. She will attend the sorority's national convention, which will be held in June in the Bahama Islands.

She recently attended a province planning meeting in Jefferson City, where she participated in a discussion of plans for the coming year.

Homecoming Queen Contest To Be Policed by Senate

Appointment of committees was the main item of business at the Student Senate meeting held Sept. 18 in the Union.

President Jerry Taylor appointed the following committees: Judy Miller and Junior Veak, student-faculty discipline; Sandi Coffin, Barb Castor, and Dale Schendzielos,

communications; Mary Mast and Dottie Hardiman, student-faculty affairs; Leo Papas, Mary Mast, and Jim Beemers, election rules, and Dottie Hardiman, Jim Holtz, and Sandi Coffin, student parking.

The rules for Homecoming Queen, printed in the current copy of the Senate minutes, follow:

I. An open election for the determination of Queen.

II. Candidates

A. A candidate must have a 2.00 overall grade point average and a 2.00 grade point average the semester previous.

B. In order for an organization to be eligible to run a candidate for queen, it must be entered in all three of the major competitions: float, Variety Show skit, and house decorations.

C. All candidates must be registered at the Registrar's office. (Continued on Page 8)

Scholars at MSC Invited to Apply For Danforth Graduate Fellowships

Applications for nomination in the Danforth Graduate Fellowship competition are still being accepted, according to James R. Saucerman, MSC liaison officer.

The fellowships are open to men and women who are seniors or recent graduates of accredited colleges in the United States, who have serious interest in college teaching as a career, and who plan to study for a PhD in a field common to the undergraduate major.

Applicants may be single or married, must be less than 30 years of age at the time of application, and may have undertaken any graduate or professional study beyond the baccalaureate. The fellowships are open to persons of any creed, race or citizenship.

Approximately 120 fellowships will be awarded in March, 1966. Candidates must be nominated by liaison officers of their undergraduate institutions.

The foundation does not accept direct applications for the fellowships.

Special attention is given to three areas in considering candidates for fellowships:

1. Evidence of intellectual power which is flexible and of academic achievement which is a thorough foundation for graduate study.
2. Evidence of personal characteristics which are likely to contribute to effective teaching and to constructive relationships with students.
3. Evidence of concerns which range beyond self-interest and narrow perspective and which take seriously the questions with which religious expressions attempt to deal.

Interested seniors should see Mr. Saucerman in Room 115 of Colden Hall before Oct. 8.

Official Positions Are Open With US Foreign Service

The young man or woman with a spirit of adventure should find a world of opportunities in the United States Foreign Service.

Unfortunately, the Foreign Service, a division of the United States Department of State, usually receives very little publicity. This interesting division is responsible for many acts the average American traveler takes for granted. The Foreign Service officer can be a staff member at a U. S. embassy in a distant country. He can be an interpreter, a travel guide, a diplomat, or any one of many other important employees of the Department of State.

Applicants for positions in this division of the Department of State must be between the ages of 21 and 31 and must have been a United States citizen for at least seven and one-half years. Deadline for applications is Oct. 18, with the written exam being given on Dec. 4. No past foreign language study is required for acceptance into the Foreign Service.

Booklets containing sample questions from the written examination and detailed information concerning the Foreign

Service in general may be obtained from Floyd Barrows at his office, 206B, Colden Hall, between the hours of 10-11:30 a. m. on Tuesday, 9-11:30 a. m. on Thursday, and after 2 p. m. on Monday through Friday.

Freshman Gains Honor, Awards

Miss Rosalie West, MSC freshman, was chosen 4-H Interstate Girl at the 4-H Livestock Show held Sept. 15 in St. Joseph.

Rosalie West

Miss West, Blockton, Ia., a home economics major, was chosen on the basis of seven years of outstanding work in the 4-H field. The honor carries with it an award of \$100.

NEWLY INDUCTED OFFICERS of the Student Wives organization who were installed Tuesday are, front row: Mrs. Calvin Widger, sponsor; Mrs. George Gayler, who installed the officers, and Mrs. William Blankenship, sponsor; back row: Mrs. Jane Bruce, secretary; Mrs. Kay Pratt, treasurer; Mrs. Phyllis Green, president; Mrs. Becky

Keplinger, historian; Mrs. Twila Halter, parliamentarian, and Mrs. Love Taylor, vice president.

During the meeting, Mrs. Eleanor Miller gave a timely talk on tea etiquette. Business included planning the Student Wives Tea, which will be held Oct. 10, with Mrs. Robert P. Foster, as guest speaker.

Seniors to Participate in Business Seminar

The first session of the senior seminar for business students will be Monday at 4 p. m. in Room 213 of Colden Hall.

The seminar must be taken and passed by all business students before certification for graduation. This applies to all degrees. Those who will graduate in January, June, or August, 1966, should attend this seminar.

The seminar, to be conducted by various members of the Division of Business, will consist of six or seven sessions with a concluding examination. Another seminar will be held the second nine weeks of this semester for those who are student teaching now.

Union Board Sets Schedule of Events

Organization and evaluation were the keynotes of the first Union Board meeting held Sept. 16 with Darwin Bears, chairman, presiding.

Elected to new posts on the executive committee were Kack Miller, vice chairman; Diane Brown, secretary; Joe Logan and Jack McClure, committee chairmen.

New members are Lorna Stephens, Ken Bassett, Toni

Johnson, and Jim Cook.

The group discussed the upcoming Viet Nam Seminar and the preceding reception. An evaluation session on the Organizational Fair, held during freshman orientation, was conducted with suggestions for improvements. It was also decided to hold den dances at various places on the campus as student participation dictates.

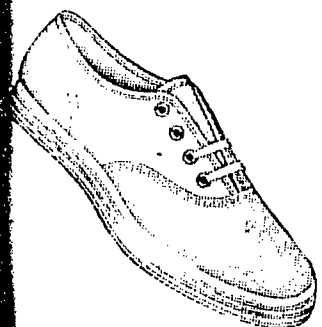

Meetings of the Board will be held on Thursday nights.

AT QUARTERBACK COFFEE, longtime Bearcat fan and club president Paul Fields, left, and a new member, Dan Schirmer, right, give a report on the 1965 drive to football coach Ivan Schottel and Burton Richey, chairman of the MSC Division of Physical Education.

'Go, Team, Go

Club of Bearcat Boosters Provides Sports Awards

The spirit of the old pro definitely exists in Maryville in the form of the Bearcat Quarterback Club.

In the words of Mr. Paul Fields, president of the organization, the fan club is made up of "a group of businessmen uptown who support the college team."

Organized in 1950, the club's purpose was to entertain the football and basketball squads at the end of the season. In 1959, at the suggestion of President Emeritus J. W. Jones, the group's purpose was greatly expanded to include the raising of money for the college's athletic scholarship program.

This is accomplished by donations from team supporters. With each \$25 donation, the giver is provided a season ticket to all football and basketball games.

Mr. Fields stated that although the club's contributions are only a small help to the scholarship fund, the members have raised \$21,575 since 1959, with last year's \$4,100 being their best record. He estimates that over 200 boys have been helped since the organization of the program.

Thirty-five full scholarships or their monetary equivalent are given each year by MSC to potential football and basketball players. Mr. Fields also pointed out that the selection of the

boys to receive the awards is left entirely up to the college.

Mr. Fields, who has been the Quarterback Club's president since 1959, owes his keen interest in sports to his high school days, when he played on the state championship Maryville High basketball team in 1937.

His college days were also spent in Maryville. Although he did not participate in athletics in college, he is a long time valued supporter of the Maryville Bearcats.

Students Must Take College Reading Test

Any new or summer student who did not take the reading test must report to Joseph MacCoy in Room 106 Colden Hall immediately.

If assigned to Mr. MacCoy's Education 2 class, a student must take it. If he fails to do so, he will automatically receive an F grade for the effective reading course on the permanent records. The student then will be required to take Ed 2 second semester.

New 'Car Light' Laws Effective in October

Beginning Oct. 13 every motor vehicle and every motor-drawn vehicle in Missouri will be required to have two operable taillights plus a white light illuminating the rear license plate.

Also effective on that date, motorists of the state will be required to dim their headlights when following within 300 feet of another vehicle. Continued will be the requirement for dimming headlights within 500 feet of an oncoming vehicle.

Colonel Hugh H. Waggoner, superintendent of the Missouri Highway Patrol, believes that the new traffic laws passed by the state legislature at its last session will do much to make highways of Missouri safer.

Gridiron OFFSIDES

• Congratulations go to our Bearcat football team for their 14-7 victory over the Wayne State Wildcats last Saturday night at Rickenbrode Field.

After the way the team came in like lambs and went out like lions, many of us are still wondering what Coach Schottel injected into them at half-time. Whatever it was, it worked.

• The awarding of a traveling megaphone by the cheerleading squad to the organization showing the most spirit at each game has geared tremendous competition among organizations.

The Tekes had their victory bell, fireworks, and their dog Frauline, while the Phi Sigs capitalized on their big cannon for booming support. The Delta Zetas, Delta Sigs, and Sig Taus had their own cheering sections.

• Bobby Bearcat last week was Bill Francis, Delta Sig. The winner of the megaphone for last week will be announced by the cheerleaders at the game tomorrow.

• Those cheerleaders picked up more than two seconds and one third place at the SMU cheerleading clinic in Dallas last month. Isn't that right, y'all?

• Sideline consultants kept the fans chuckling. At one point in Saturday night's game when the announcer said that a player went in for Wayne, came this kibitzer's comment, "Why couldn't Wayne go in for himself?"

Rich Marburg, sophomore linebacker, turned many heads with his pass defending ability Saturday. Philly, as most people call him because of his home in Philadelphia, was listed on the program as Ray. One boy stated that he didn't know Philly's name was Ray. Still another maintained that it was Rich.

Few people knew then or even now that "Philly" really is "Rich."

Bearcats to Tangle With Peru Bobcat

The Maryville Bearcats will try to make it two straight when they host Peru, Neb., Saturday on Rickenbrode Field.

Starting the '65 football season in winning fashion, the 'Cats downed a tough Wayne State team last Saturday, 14-7 and have set their sights on a second Nebraska defeat.

Peru has been defeated in their first two games this year. The 'Cats statisticwise, are favored to increase their win margin in the two teams' series, which stands at 9-7-3.

Last year Maryville downed the Bobcats, 19-0. Peru returns a number of standouts from last year's squad, including 6-5, 230-pound tackle Floyd Goff, the anchor to a strong line. Peru also has good backfield speed in halfbacks Curt Holliman and Cal Miller. Giving the Peru backfield versatility is hard - charging fullback Roy Windhorst and quarterback Bill Witty, who has adept passing ability.

Coach Schottel is hopeful that Larry Childs, Jim Redd, and Buzz Englund, all who have been nursing injuries, can return to action soon. Bob Corbett, who was in the hospital with an injury, is a doubtful starter. Pass defense and offensive blocking are just a few of the things that have been emphasized in getting ready for Peru, Coach Schottel said.

In the last week's game the Bearcats scored both of their touchdowns in the last quarter, the first coming on a pass from quarterback Leo Papas to halfback Mike Peterson. The second tally was set up when Ray Marburg, Maryville linebacker, intercepted a Wayne State pass.

A pass from Papas to end Bob Albanese, who made several brilliant pass catches during the game, brought the ball to the two. Mick Thompson, who played on offense only during the second half, crashed over for the TD.

Papas passed to Jim Blank-

enship, for a two-point conversion. Blankenship had a successful evening at halfback as he made several strong runs to set up Maryville scoring threats.

The MSC defense turned in a good performance, holding Wayne State to only 96 yards rushing compared to last year's 275 yards. Notable performances were turned in by Ed Byron, Lonnie Hagan, Ed Wiskoski, Sam Ratcliff, Adam Chrostowski, and Leon Muff.

The game also featured the fine passing of Leo Papas and the long punts of Wilson Tate-man.

Physical Education Association to Meet

Sylvan Lake Lodge, Custer, S. Dak., will be the scene of the annual fall conference of the Central Association for Physical Education of College Women on Oct. 1 and 2.

Miss Bonnie Magill, MSC department chairman, will serve as president. Others attending from MSC will include Miss Lois A. Loveland, supervisor of the physical education department at Horace Mann Laboratory School, Miss Ann M. Allen, Mrs. Gary Collins, Miss Mariam Shelden, Mrs. Dorothy D. Walker, and Dr. Kathryn Riddle.

The theme for this year's conference will be "Crystal Ball Game, 2,000." Miss Shelden will serve as discussion leader. Mrs. Walker will be chairman of the legislative committee.

Advisor to Conduct Plans for Reporters

Mrs. T. H. Eckert, Northwest Missourian advisor, will conduct an in-service training session for organizational reporters at 4 p. m. Tuesday in the Missourian office.

This training will help the staff to cover the campus organizations' activities and will aid the selected reporters in fulfilling their obligations. A second session will be scheduled if needed.

Handbook Assignment Given

All students are responsible for knowing the material covered in the student handbook, which is available in the office of the Dean of Students.

Revised for the 1964 fall session, the handbook was a composite creative effort of the Student Senate and the Administration.

Editor Announces Tower Schedule

Wava Tackett, Tower editor, has announced that pictures for the year book will be taken in Room 7 in the Fine Arts building instead of the originally planned site.

Students have been asked to use the service entrance on the southwest side of the building.

Men are to wear suit jackets, white shirts, and dark ties. Women should wear dark clothing for more satisfactory pictures.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of
 cowardice or dishonesty. We will fight for the ideals and sacred
 honor of the College. We will revere and obey the College laws and
 our best to incite a like respect and reverence in others. We will
 commit this College to those who come after us, greater, better,
 and more beautiful than it was transmitted to us."

Food for Thought

"We want better food!"
 Because of their nutritional complaints and subsequent
 demonstrations, the MSC student body received regional at-
 tention. Today the student body could do something that
 would result in a better image as well as in other benefits.
 Today the Maryville community is conducting a drive to
 finance a new hospital.

Roughly two-fifths of the local population attends
 Northwest Missouri State College. If Maryville loses the
 hospital, we would lose just as much as the other three-
 fifths: convenience, speedy access, security. We could
 lose a life — our own, our son's, or another person's.
 E. W. Brown, drive chairman, has done more than his
 share. The Bearcats and the football coaches have contrib-
 uted their time, effort, and money. They merit commenda-
 tion and appreciation. But what have the other 3,800 students
 done? More importantly, what could they do?

Individually, each student could donate \$30 to raise the
 \$3,000 needed to complete the drive. A young man or wom-
 an, however, challenged by the personal costs of college,
 may not be able to afford such a pledge. Young men's and
 women's social groups, fraternities and sororities, provide
 excellent competitive possibilities. Through such activities as
 car washes, bake sales, work days and slave auctions or-
 ganizations could earn money for a new hospital and respect
 from local, state, and possibly national groups.

What would happen if individuals or organizations unit-
 ed? One and a half years ago they acted in one way to
 project one type of image. Today they could act together
 to help finance the new hospital, to save a life, to better
 the school and student body name throughout the nation.
 Unified action is the course we recommend. The Student
 Senate or a respective committee, is the body we endorse
 for bringing about the unity and the action. The chant this
 time, it seems to us, should be:
 "We want a better hospital!"

Pollees Prefer
 Fewer Classes,
 Longer Session

Which do college students
 prefer: Three-hours of class
 two days a week or one-hour
 classes three days a week?

In a recent sample survey
 taken on campus, asking stu-
 dents which one they prefer-
 ed, most said the three-hours
 two days a week. Their major
 reason was mainly because it
 gave them more free time to
 study and sleep.

The disadvantage suggested
 against the three-hours two
 days a week: "The instructor
 has 25 minutes longer to dis-
 cuss his informal notes" one
 student stated.

The advantage stated in favor
 of the three one-hour sessions
 was simply that each session
 lasted 50 minutes.

Of the whole most students
 chose the three hours
 two days a week. But
 the most important thing is
 the length of the class per-
 iod is the knowledge and
 understanding that is gained
 that counts at exam
 several pollees agreed.

To Have 'Hello' Picnic

The Town Girls Association
 will hold a "Get Acquainted"
 picnic at 4:30 p. m. Monday
 in Beal Park.

All girls living in approved
 housing are urged to attend.

What Is So...

Rare as publication of the
 first edition of The Northwest
 Missourian during the first
 week of school?

Unusual as publication of the
 first edition of The Northwest
 Missourian during any week
 by six freshmen?

Unprecedented as a regular
 eight-page paper?

Expected as factual report-
 ing, thought - stimulating opin-
 ion, interesting and varied fea-
 tures, fair and complete cov-
 erage?

Welcome as any stories and
 story ideas? or as letters to
 the editor that are fairly short
 and signed, indicating whether
 or not to use the writer's
 name? or as visitors to the of-
 fice of the Northwest Missour-
 ian in the basement of Colden
 Hall?

Available as in-service train-
 ing for organizational histor-
 ians, secretaries, or reporters?

Open as the door to The
 Northwest Missourian during
 the office hours of 8 to 10
 a. m., 1 to 2 p. m. and after
 4 p. m.?

Desired as a name of respect
 for the paper and for the col-
 lege throughout the nation?

Dreaded and guarded
 against as news that would
 hurt, some one, news that is
 not fit to print, omission of a
 story that should be printed
 but somehow isn't, errors that
 are made in names, in fact, or
 in any area?

Guided by a principle "...
 And the truth shall make you
 free"?

These are the records and
 new policies of the Northwest
 Missourian staff.

Former Staff Members
 Teach English, Study

Leaders on the Northwest
 Missourian staff of the past
 year, Marvin Bell and Sharon
 Cross Shipley, have entered
 the junior high school teaching
 profession.

Miss Shipley is teaching Eng-
 lish classes at Eastgate Junior
 High School in North Kansas
 City. Bell is teaching English
 at West Nodaway Junior High
 School, Elmo. He is also the
 coach for the junior high foot-
 ball squad.

John Shipley, business man-
 ager of Northwest Missourian
 last winter, is enrolled in grad-
 uate school at St. Paul's School
 of Theology, Kansas City.

... Campus Calendar ...

Friday ... Den movie 7 p. m., Administration Building
 Auditorium ... Pan-Hellenic pledging.

Saturday ... Football game with Peru, 8 p. m., Ricken-
 brode Athletic Field.

Sunday ... Phi Sig-Tri Sig picnic 2 p. m., College Park.

Monday through Friday ... Junior pictures to be taken
 for the Tower.

Monday ... Town Girls' Association Get-Acquainted party,
 party, 4 p. m., Upper Lakeview Room ...
 Householders Association meeting, 7:30 p. m.,
 Roseroom and Goldroom.

Tuesday ... Viet Nam debate 7:30 p. m., Lamkin Gym-
 nasium ... Alpha Phi Omega Smoker 7:30
 p. m., Birch Room.

Wednesday ... Association of Women Students penny night
 ... Kappa Delta Pi picnic, College Park ...
 AWS style show, Auditorium.

WELCOME TO MSC meant new friends to freshmen who
 attended the faculty reception. Here Mrs. Garvin Williams,
 Mr. Williams, president of the board of regents, Mrs. R. P.
 Foster, and President Foster greet two of the newcomers
 to the campus.

How Much Is Too Much
 Of a Good Thing?

Under the direction of Miss Violette Hunter, 1,400 freshmen
 shook hands with Board of Regents President Garvin Wil-
 liams and MSC President R. P. Foster, sipped punch, and
 socialized with both students and faculty at their first formal
 social event in their college careers.

College should teach those freshmen as well as other stu-
 dents how to live, how to succeed intellectually and socially.
 Collegiate life exposes a person to a variety of social ex-
 periences, including formal events like the reception, semi-
 formal dances, fraternity and sorority parties, and casual
 dates to the show or football game.

An intellectual whiz who is also a social dropout is a dis-
 appointing or inadequate person in the business world. The
 reverse is also true. College officials attempt to help students
 reach the proper medium between the two extremes by pro-
 viding activities, regulating dormitory hours, and disciplin-
 ing students when necessary.

For the most part, however, the student is on his own —
 free to choose between an hour of study, a church date, a
 bull session or an hour wasted in the den, a drinking party,
 the back seat of a car — independent to choose between be-
 coming a bridge star or a well-adjusted and probably suc-
 cessful businessman or teacher.

How Many Can You Name?

FRIENDSHIP AND FUN prevailed at the first informal all-
 student dance. To give readers a challenge in getting ac-
 quainted, the Missourian staff asks for an identification re-
 port on at least five of the students in these two social
 event pictures. Turn answers in to Bob Bosch for staff recog-
 nition of observation powers.

Shades of the past — The Stroller is strolling again. We advise you to guard your secrets well. . . .

There is an amazing amount of enthusiasm, he learned, that is lost from one's freshman year to his senior year.

Freshmen seem to approach college work with eagerness while seniors fail to see much of anything to get excited about. Some of MSC's seniors are still amazed at the fact that six freshmen published last week's Northwest Missourian in two and one-half days. . . .

Every college has its proverbial absent-minded professor, and MSC is no exception. It seems that ours had an appointment, and just after he left his office, he met a friend whom he stopped to chat with. The conversation ended, and

he went on his way — back to his office, where he forgot all about the appointment. . . .

The Stroller can't decide whether he is flattered because a Green Giant is on campus or deflated because the giant is here after his long hair reportedly had caused him much coiffure trouble.

Noticing a tall, friendly professor mooching pipe tobacco from a newcomer to the campus faculty, the Phantom wondered if said professor could be balancing the budget to buy new home furnishings. . . .

Falling in love with a girl in a pink and white pinafore is easy. At first ye olde Stroller thought she was a pupil in the Horace Mann kindergarten department. Finally he discovered that she is a cute Phi Mu pledge performing her last duties of pledgeship.

Next week she and seven of her fellow pledges from the 1964-65 school year will become full members at last!

Chime Time

August Bells

Miss Connie Baumli became the bride of Joseph R. Russell Aug. 14. Mrs. Russell is a graduate of Maryville High School. Mr. Russell, a graduate of De LaSalle Military Academy, Kansas City. Both are seniors at MSC.

Miss Karla Bright and William D. Taylor, MSC senior, were united in marriage Aug. 22. Mr. and Mrs. Taylor were both graduated from the Allerton-Clio-Lineville High School. Mrs. Taylor, a graduate of MSC, is teaching in the Nodaway-Holt R-VII school system.

The wedding rites of Miss Judy Carol Hyder, Barnard, and Marlyn Ditamore, Maryville, were solemnized Aug. 15. The couple resides in Maryville, where Mrs. Ditamore is continuing her education at MSC. Mr. Ditamore is employed at Ford Motor Co., Claycomo.

Miss Mildred Maurine Cockrill, Platte City, became the bride of Robert Edwin Loch, Jr., Maryville, Aug. 1. Mrs. Loch was graduated from MSC and is on the faculty of the Maryville R-II High School. Mr. Loch is a student at MSC. Bells to Ring

Mr. and Mrs. Fred Michel, Northboro, Iowa, announce the engagement of their daughter, Miss Peggy Michel, to Terry Doane, son of Mr. and Mrs. Raymond Doane, Highland, Kas. Both are students at MSC.

Rooms Available In Men's Dormitories

Commuting students who desire a room in the men's hall should contact the men's housing office.

More students than in recent years have failed to report for the fall semester. This number of dropouts has enabled the office to house more students.

Students who have contracted housing arrangements with local citizens may move into the men's hall if both student and citizen consent. When mutual agreement is reached, the student should contact the men's housing office.

Bridegroom Spends Honeymoon in Hospital

Such was the fate of Mr. and Mrs. Charles Short, St. Charles, when Mr. Short, 20, was hospitalized for an appendectomy at 8 p. m. on Aug. 28, an hour after repeating his wedding vows with the former Becky Herpolsheimer, 19.

Mr. Short, a freshman in pre-engineering at MSC, had complained of abdominal pain during the hours prior to his wedding. His doctor suggested another consultation if the pain continued. After the ceremony, Mr. Short asked his father to call his doctor, who then advised the trip to the hospital instead of to the Ozarks as the couple had planned.

An infected incision during convalescence at home forced a return to the hospital and prevented the Shorts from arriving in Maryville in time for freshmen orientation, but Mr. Short was able to register and begin his class work on schedule. Mrs. Short is employed at Katie's Beauty Salon.

Homecoming Queen Contest

(Continued from Page Four)

Office by 4:00 p. m. Oct. 6.

III. Campaigning

A. A two-day campaign beginning at 8 a. m. Wednesday, Oct. 20 and continuing until 4 p. m. Thursday, Oct. 21.
B. There will be no littering or defacing of the campus.
C. Each candidate may have one picture (colored or black and white) no larger than 11"x14", to be placed in the entrance hall of Colden Hall.

D. Each candidate may have two outdoor signs, not to exceed 50 square feet to be placed in front of Colden Hall and the Administration Building.

E. Walking signs may not be more than three feet wide.

F. Each candidate may have one public address system, which is not to be used during class periods.

G. There will be no campaigning in the dorms.

H. No food may be passed out.

I. There will be no campaigning in the Upper Dorm except by word of mouth.

J. There will be no campaigning in the polling place.

K. Lapel cards may not exceed 15 square inches. These must be presented at the office of the Dean of Students no later than 4 p. m. Monday, Oct. 18.

IV. Meetings concerning campaign

A. The campaign managers will meet at 4 p. m. Wednesday, Oct. 13, in the Student Lounge of Colden Hall. This will be for the purpose of selecting positions of signs and examining the campaign rules. Failure of a candidate campaign manager to attend this meeting will result in the automatic disqualification of the candidate.

B. The Senate will meet at 4 p. m., Thursday, Oct. 21, in Colden Hall student lounge to review any possible discrepancies in the election.

V. Voting will take place in the Student Lounge of Colden Hall between the hours of 8 a. m. and 4 p. m. on Thursday, Oct. 21.

VI. Any violation of the rules and procedures set up for this campaign by the Student Senate will result in the automatic disqualification of the candidate involved.

Delta Sigma Phi Forms Chapter

A chapter of Delta Sigma Phi National Fraternity has been founded at Northwest Missouri State College with Garry Richardson, a senior from St. Joseph, as president.

The Delta Sigma Phi fraternity house, located at 107 Lawn Ave., was formerly the headquarters for the Phi Lambda Chi chapter of MSC. Through an annexation process this fraternity house is now known as Delta Sigma Phi.

Phi Lambda Chi was formed

on the campus of MSC in 1959 as a member of a national fraternity, but in the fall of 1964 dropped its formal national commitments and became a local fraternity. This local status existed with the house until the fall of this year, when it became affiliated with Delta Sigma Phi.

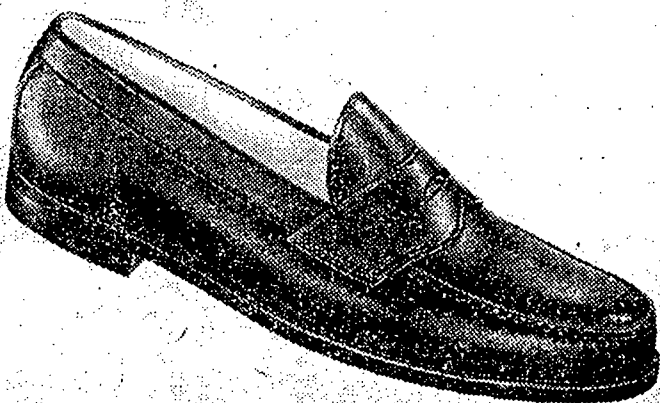

Delta Sigma Phi was founded in 1899 and since that time has grown to 122 chapters located throughout the United States and Canada. The fraternity was founded on the ideals of brotherhood, scholastic achievement, and the development of gentlemen.
